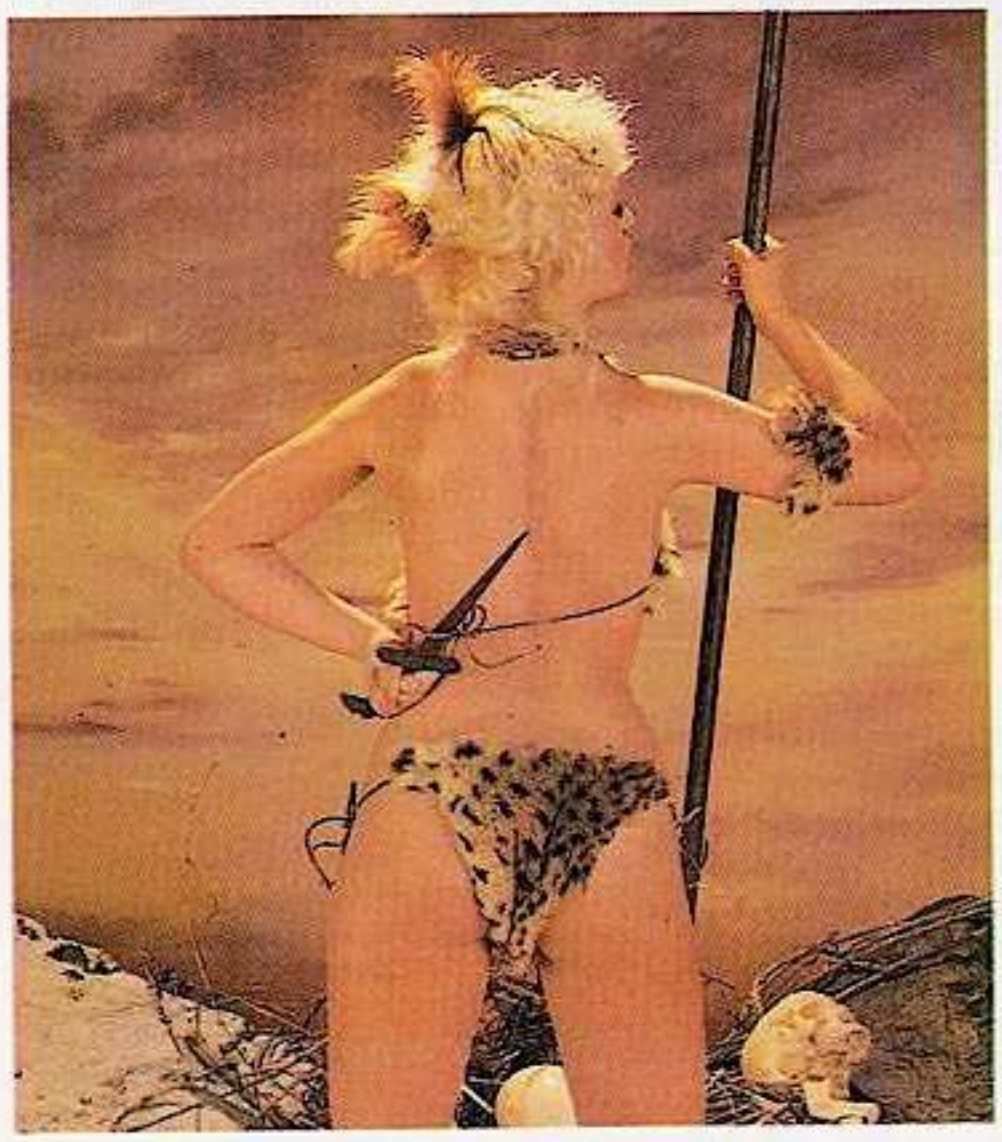
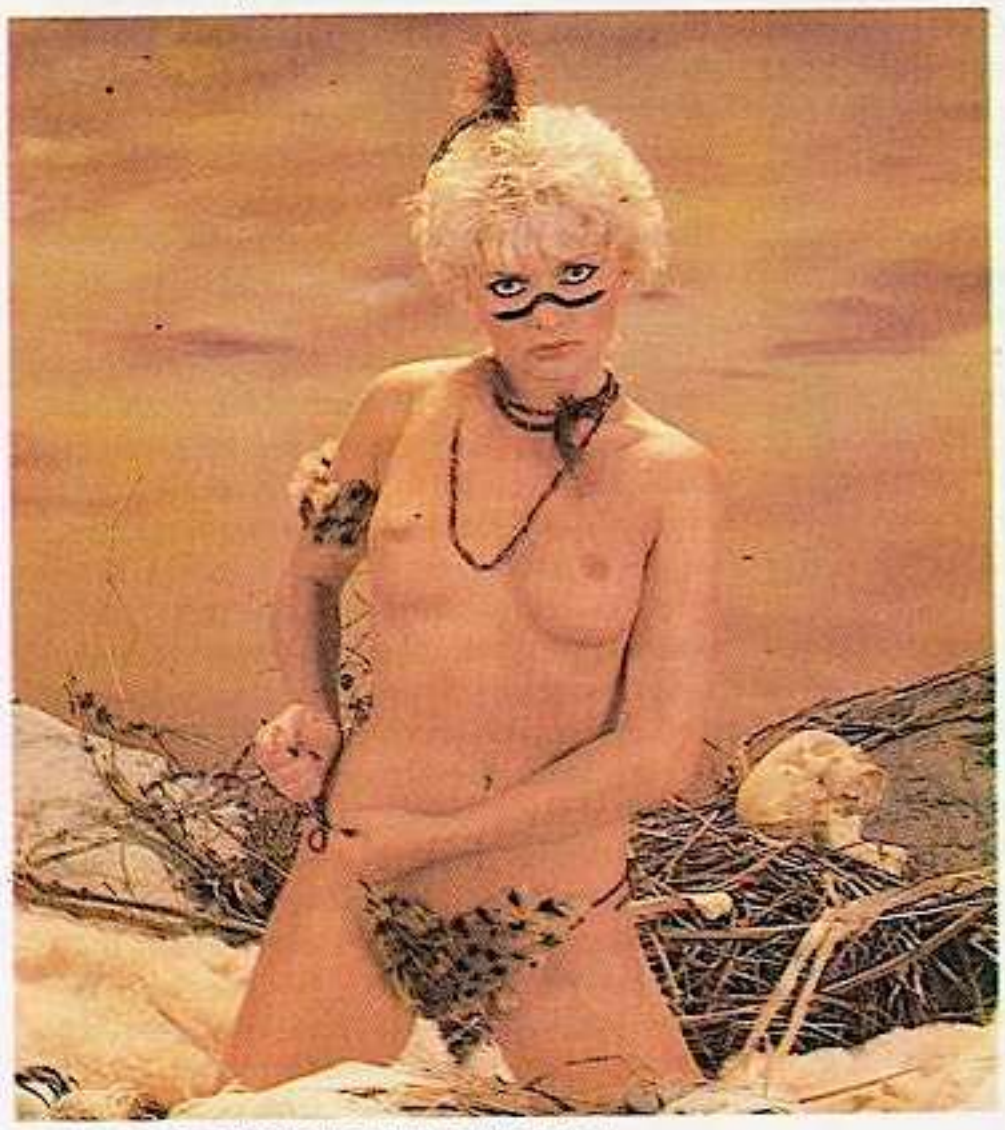
ALANA





PHOTOGRAPHED BY RAPHAEL

Sunset on the windswept, desolate African plains. The haughty ostrich is roaming far and wide in search of sustenance — and something very strange has happened back at the nest. One of her eggs seems to have undergone a premature hatching situation — and look what has popped out. Maybe the mother ostrich had some peculiar nest partners . . . Let's not consider the implications of that suggestion too closely, though. Let's just study the many charms of Alana. The local leopard was so impressed he gave her his coat to wear without a murmur. She looks a lot better without it, though. Even an ostrich could fall in love . . .

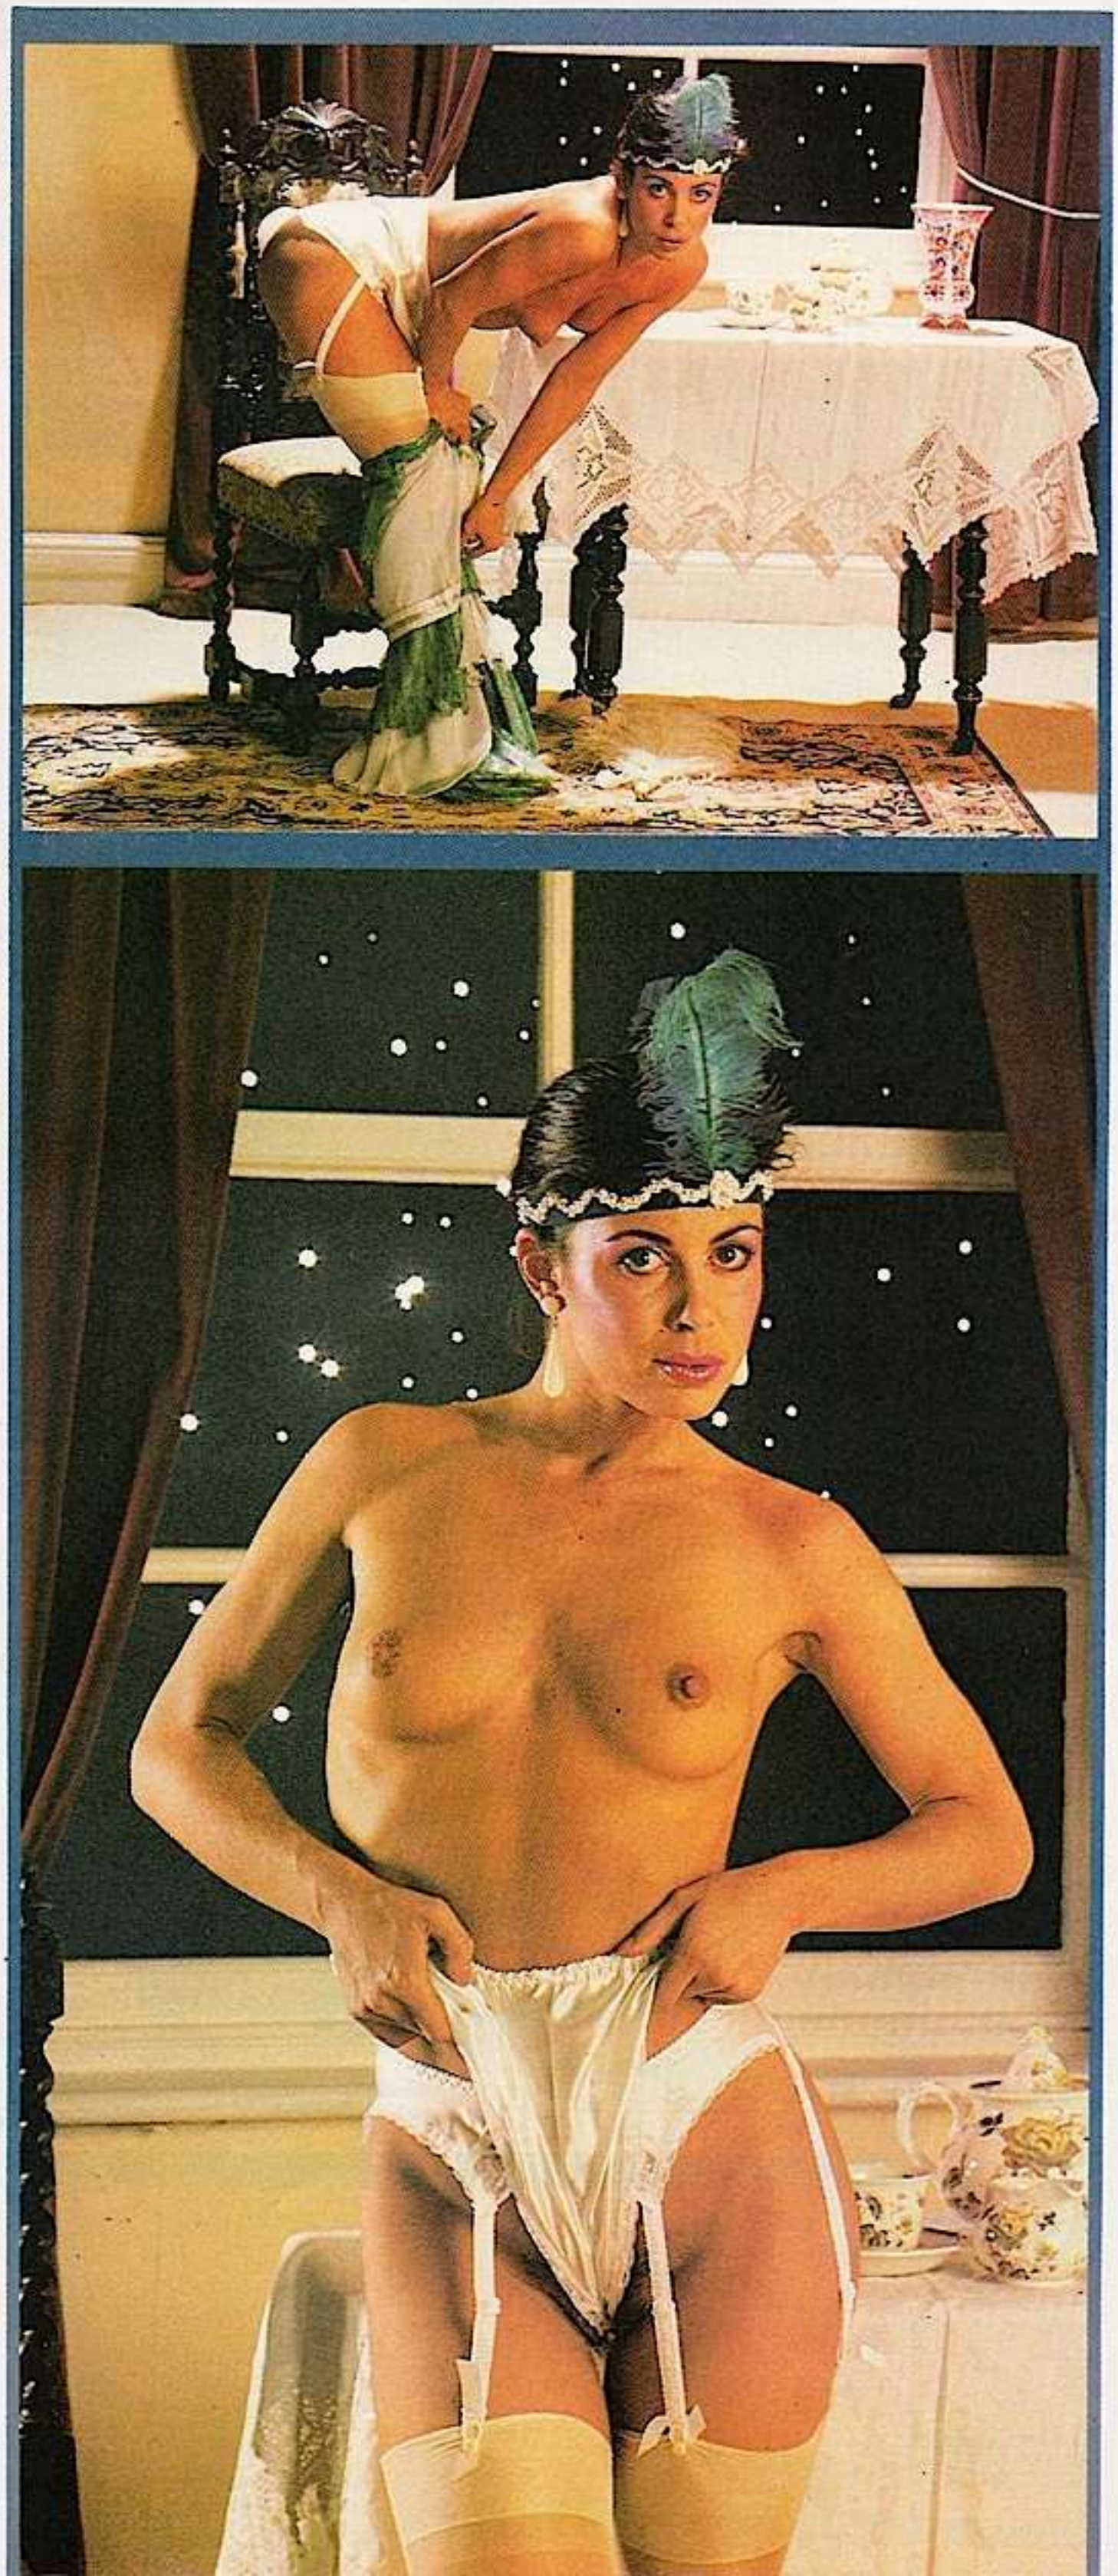
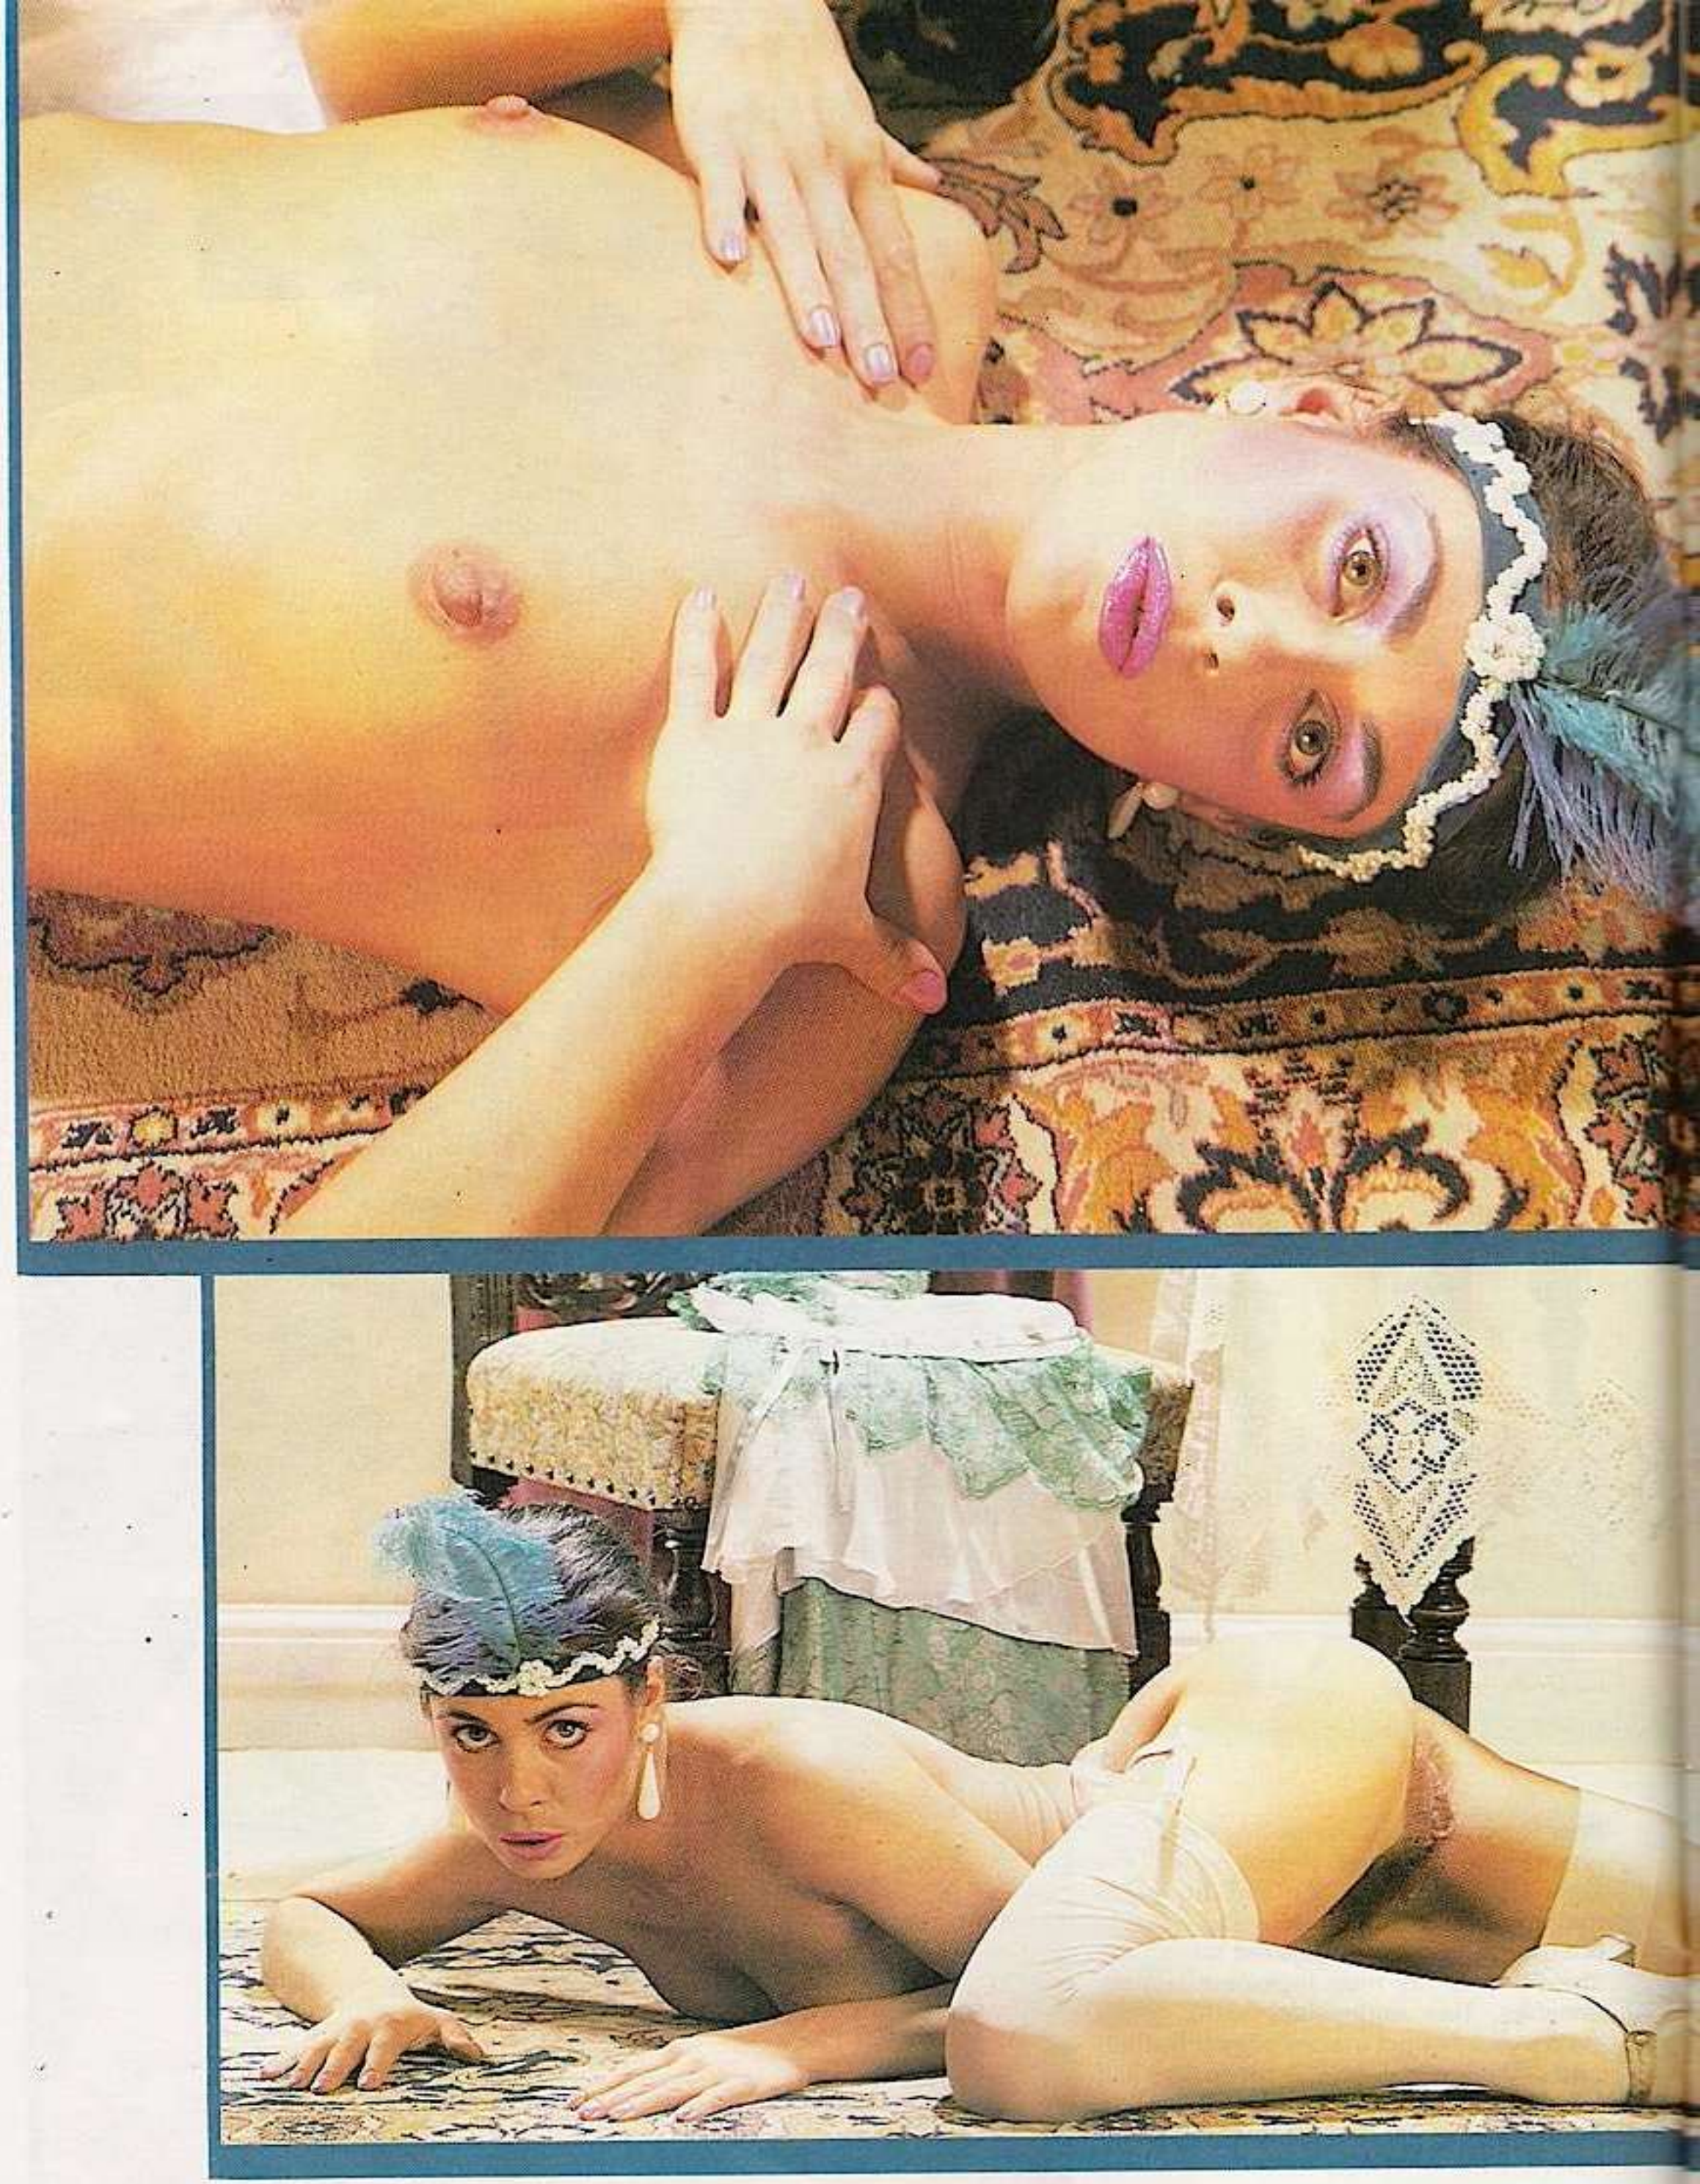
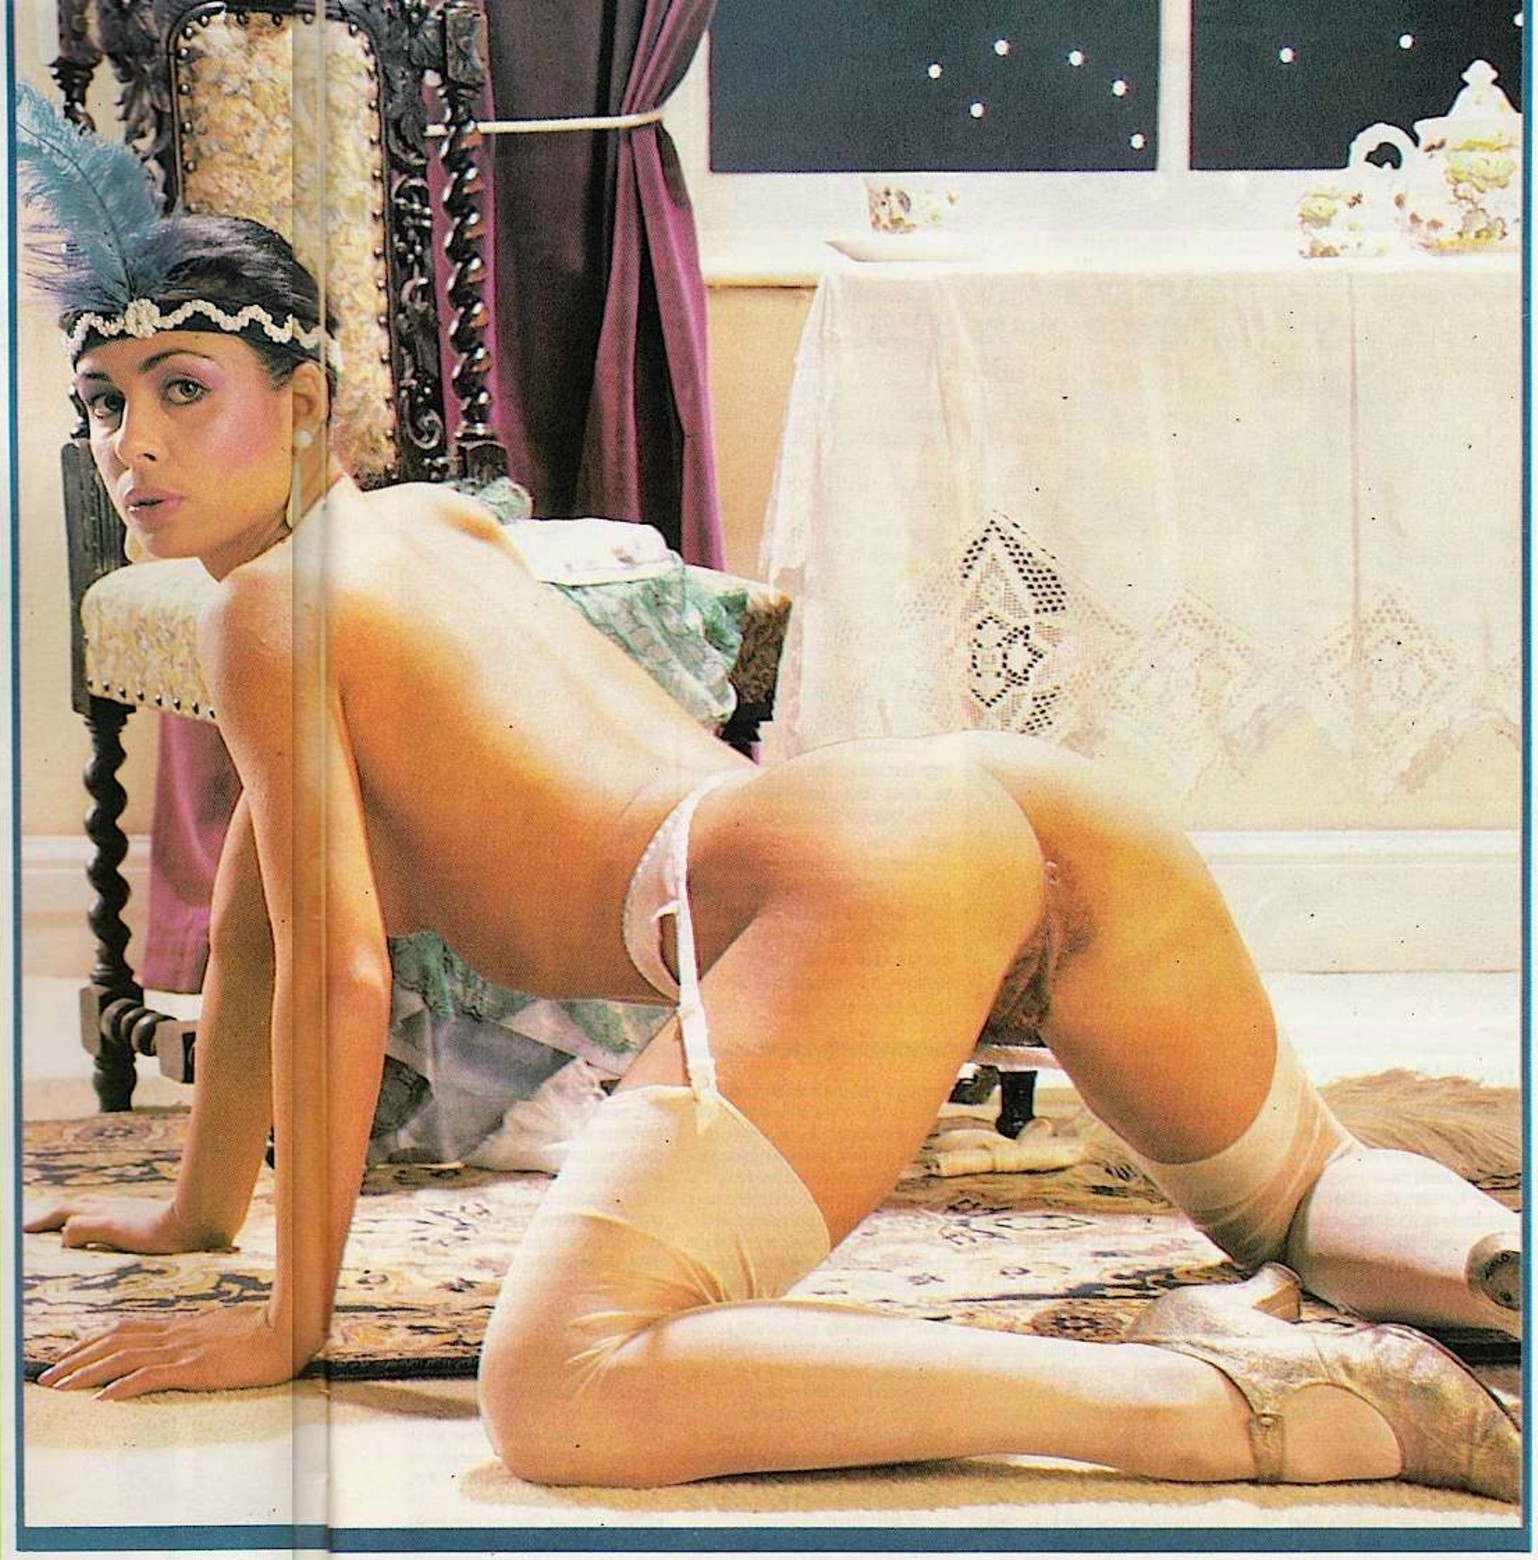
FIONA

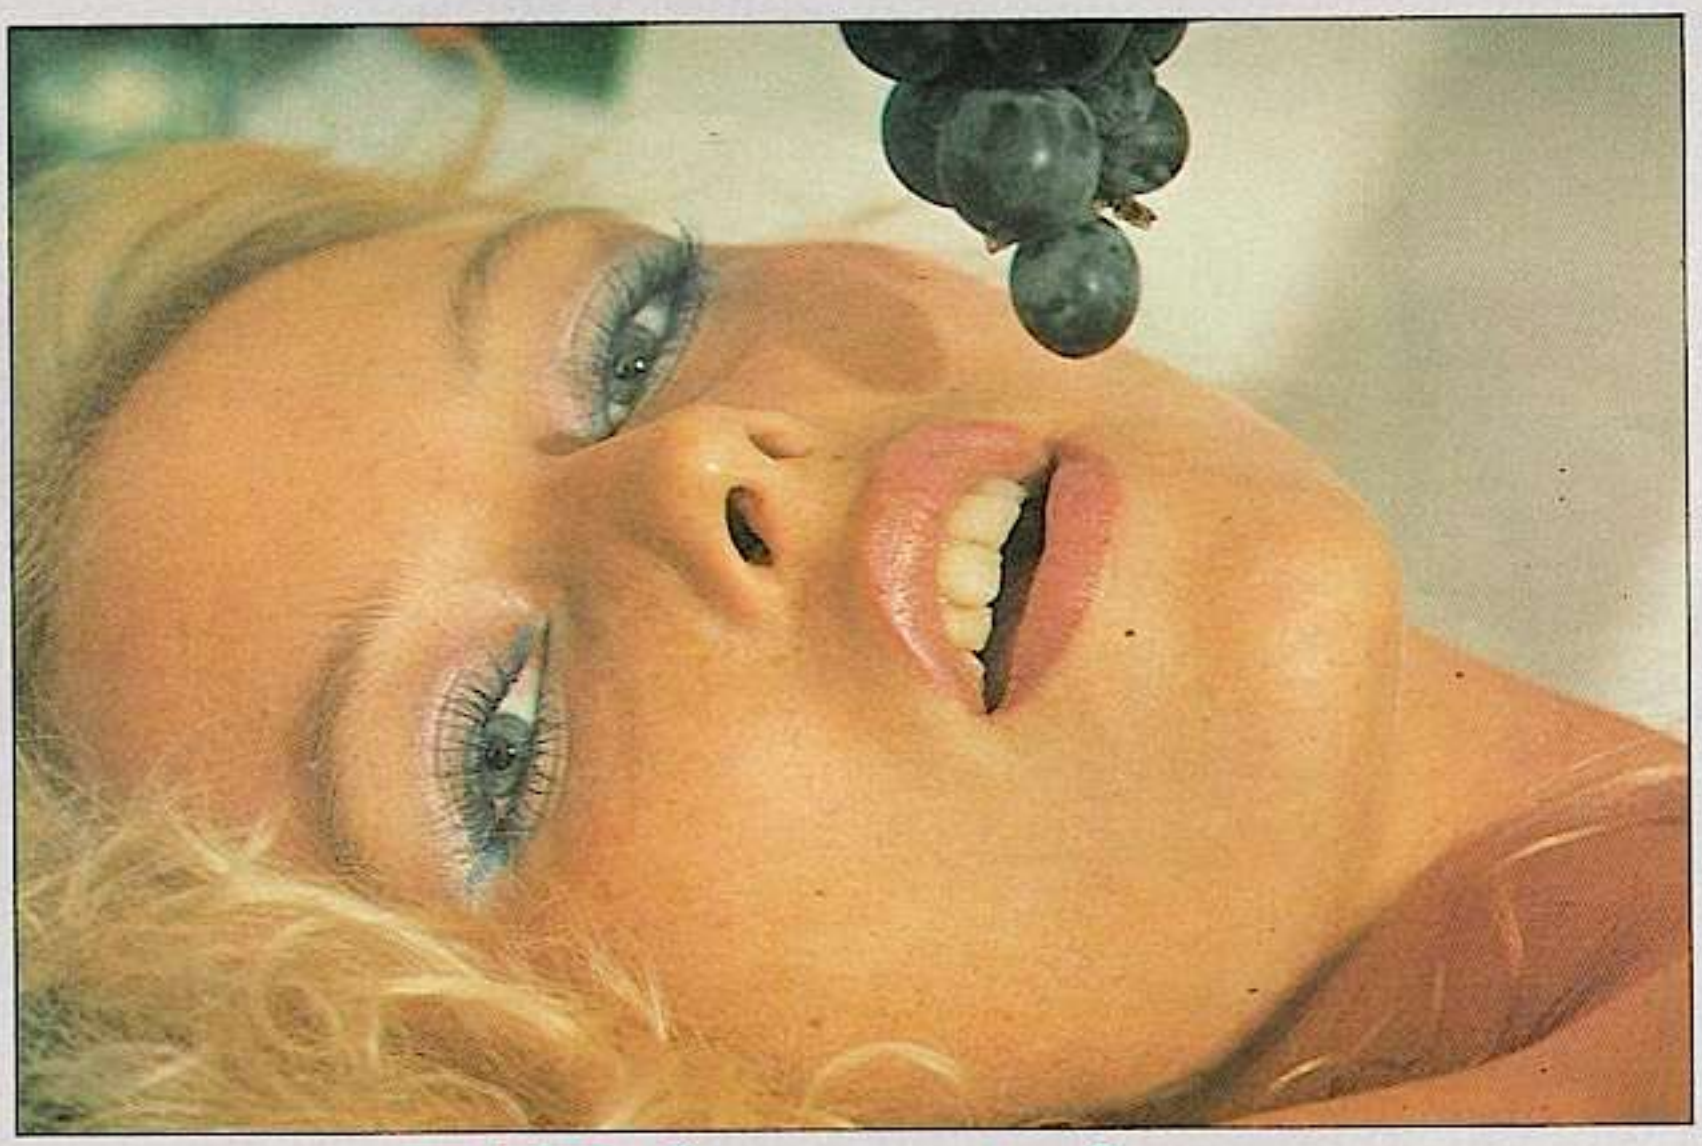
PHOTOGRAPHED BY K.K. JONES

Poor Fiona — she was so looking forward to entertaining her most ardent suitor, the Right Hon. Algernon. She had dusted off the very best china, washed and made a bold try at ironing the poshest tablecloth. She'd chosen her most expensive unmentionables, (her underwear, idiot). She'd even stolen her pet macaw's finest feather. And — dashed bad show — rotten Algy had failed to appear. What to do? Well, even in those days a girl knew how to amuse herself. Look what Algy missed . . .





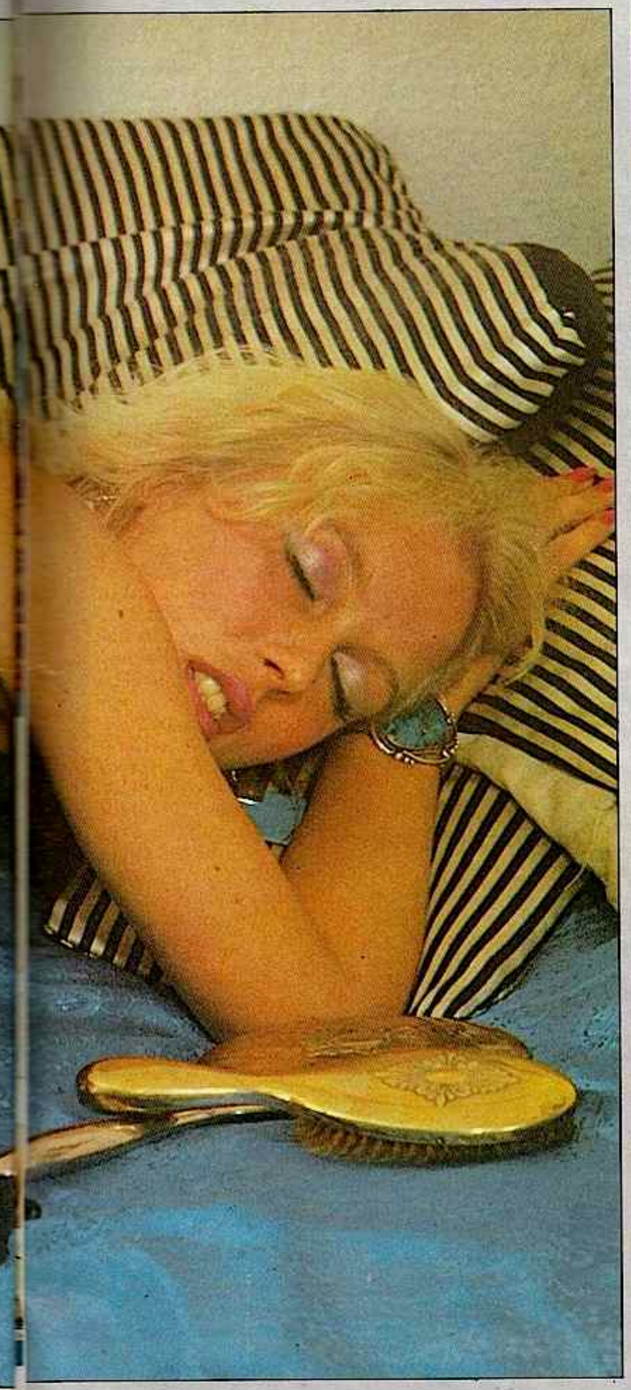




Kirstin

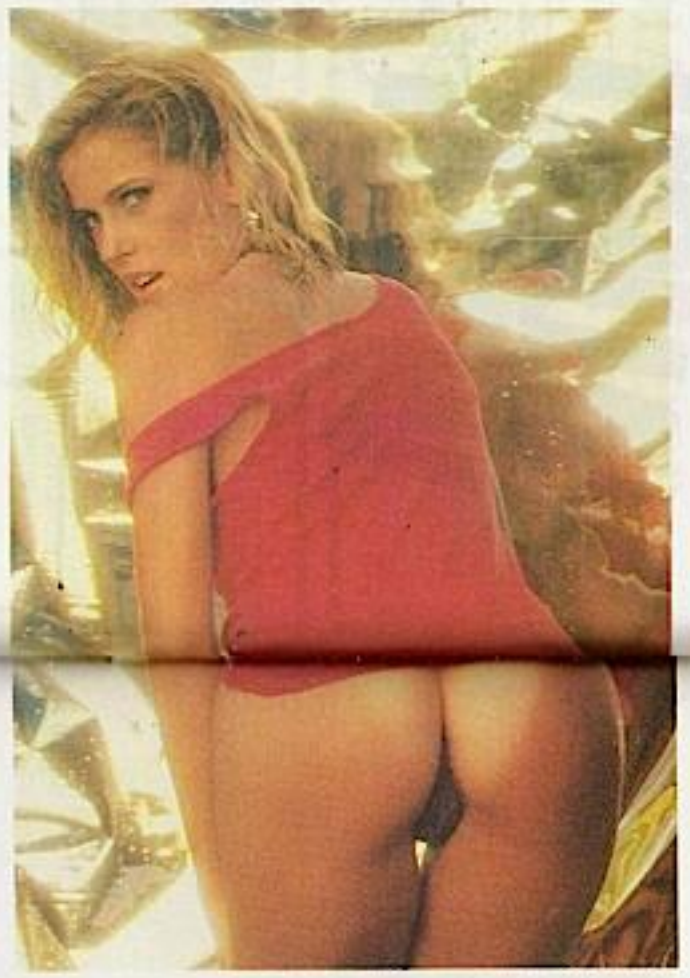
PHOTOGRAPHED BY PREBEN KIRKHOLT

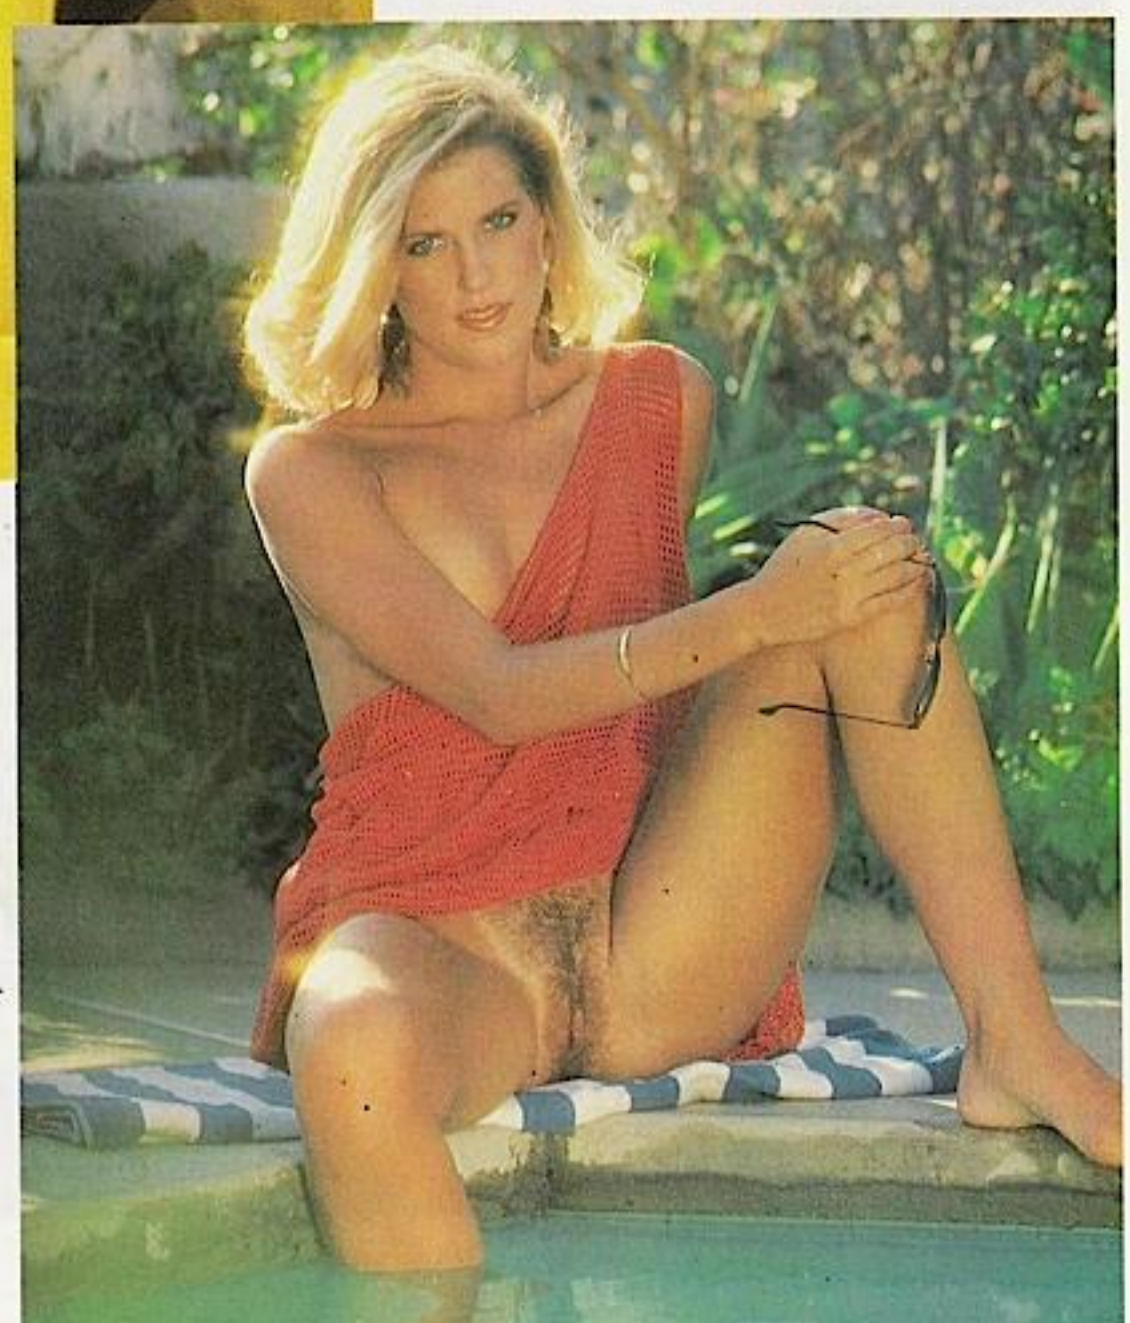
Us lucky lads here at Knave have been seeing more than our fair share of delightful Danish dames recently. We're not too sure of the precise reason, but maybe our new Danish photographers are happier coming to see us in our new home in peaceful rural Essex than our old base in a definitely down-market part of north London. We can understand that. Anyway, here's another Scandinavian stunner for you. Her name is Kirstin. We know no more about her — but we think these photos tell us all we need to know . . .



NADIA

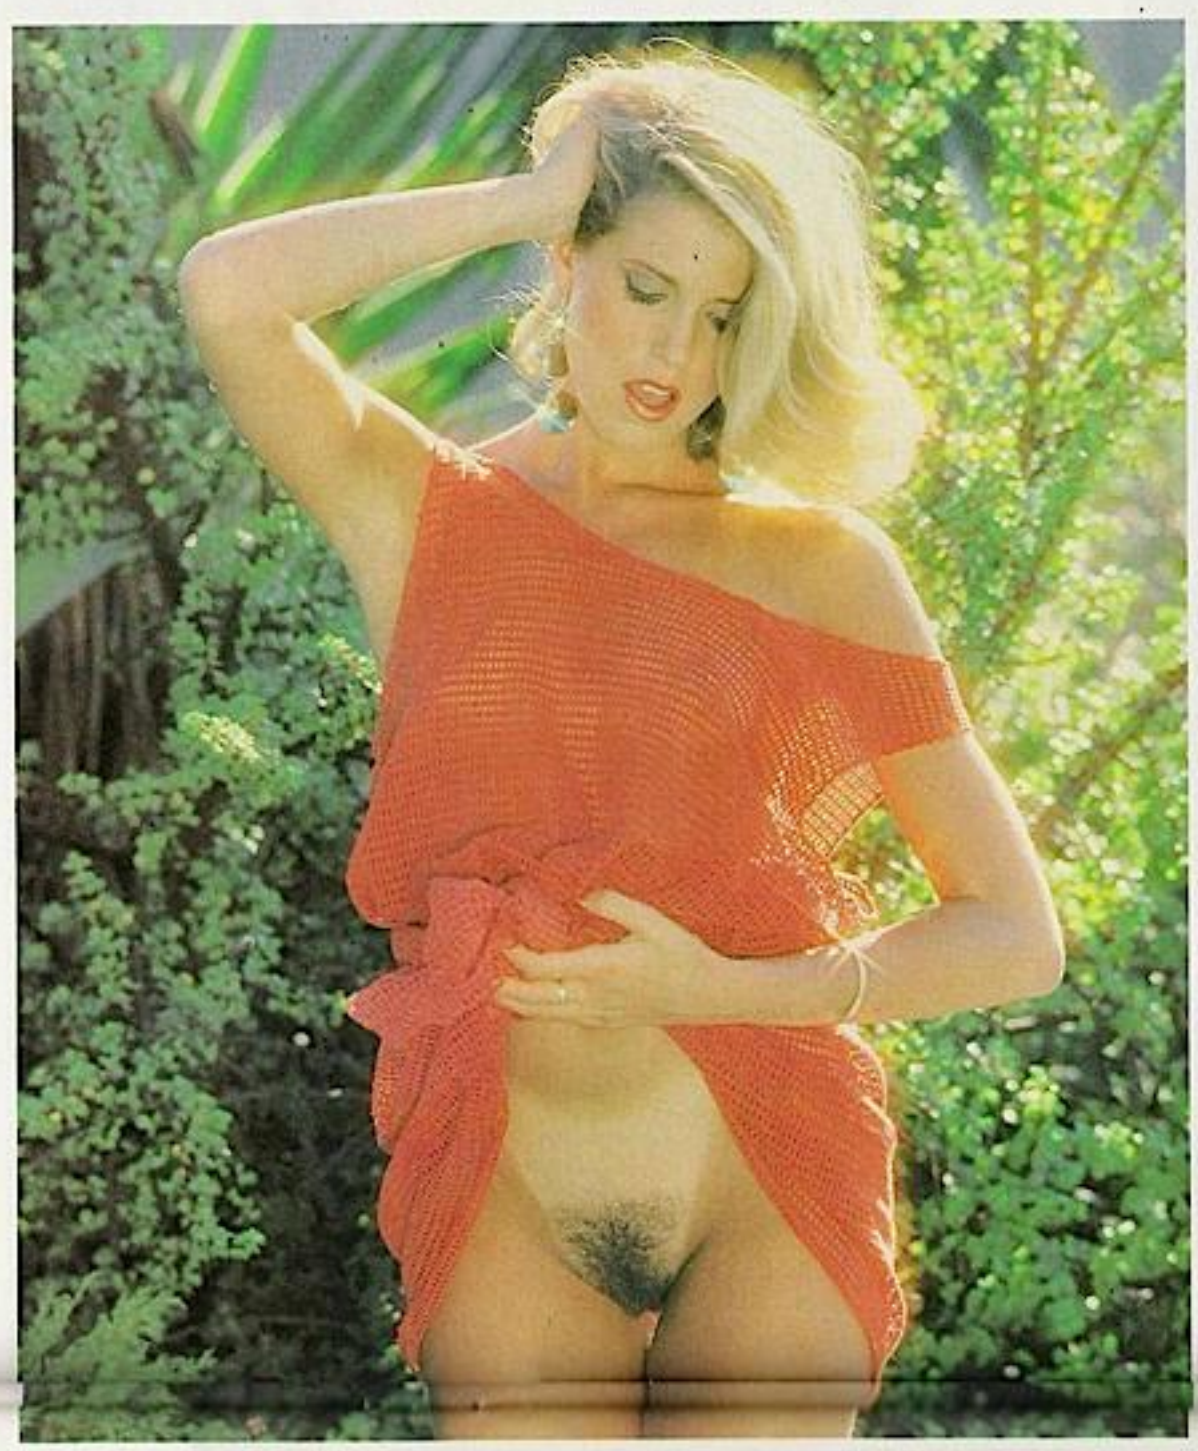
Our Californian connection provided us the the cool and elegant Nadia, a beauty from San Francisco — and evidently a rich beauty too! Lensman Garth Ricard told us that she turned up in a white chauffeur-driven Cadillac and that she stepped out of her limo wearing a full-length fur coat — and absolutely nothing underneath except this skimpy red vest!

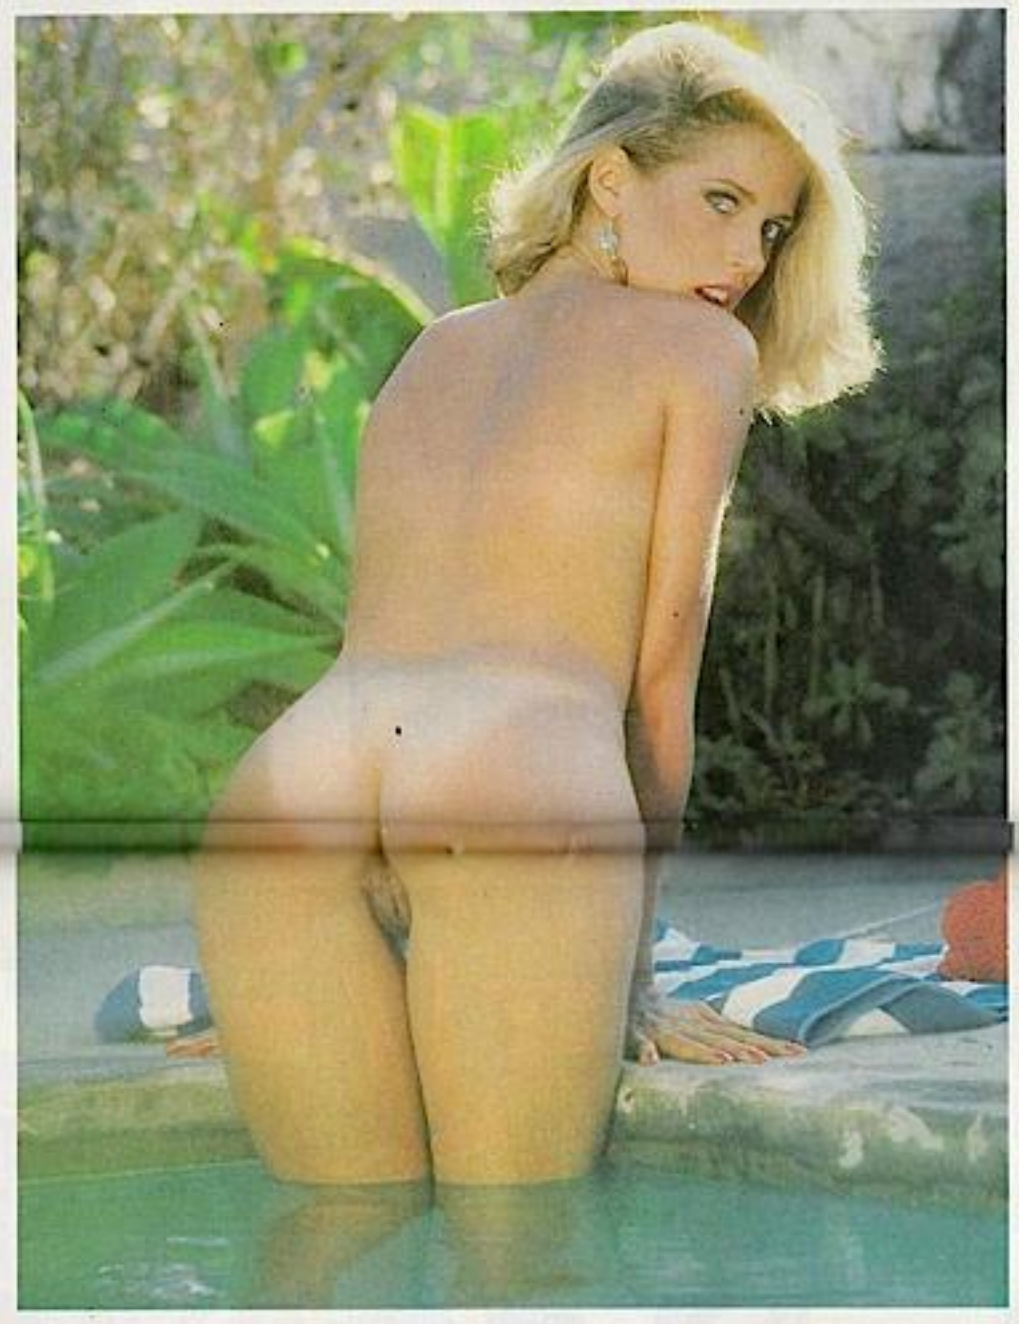


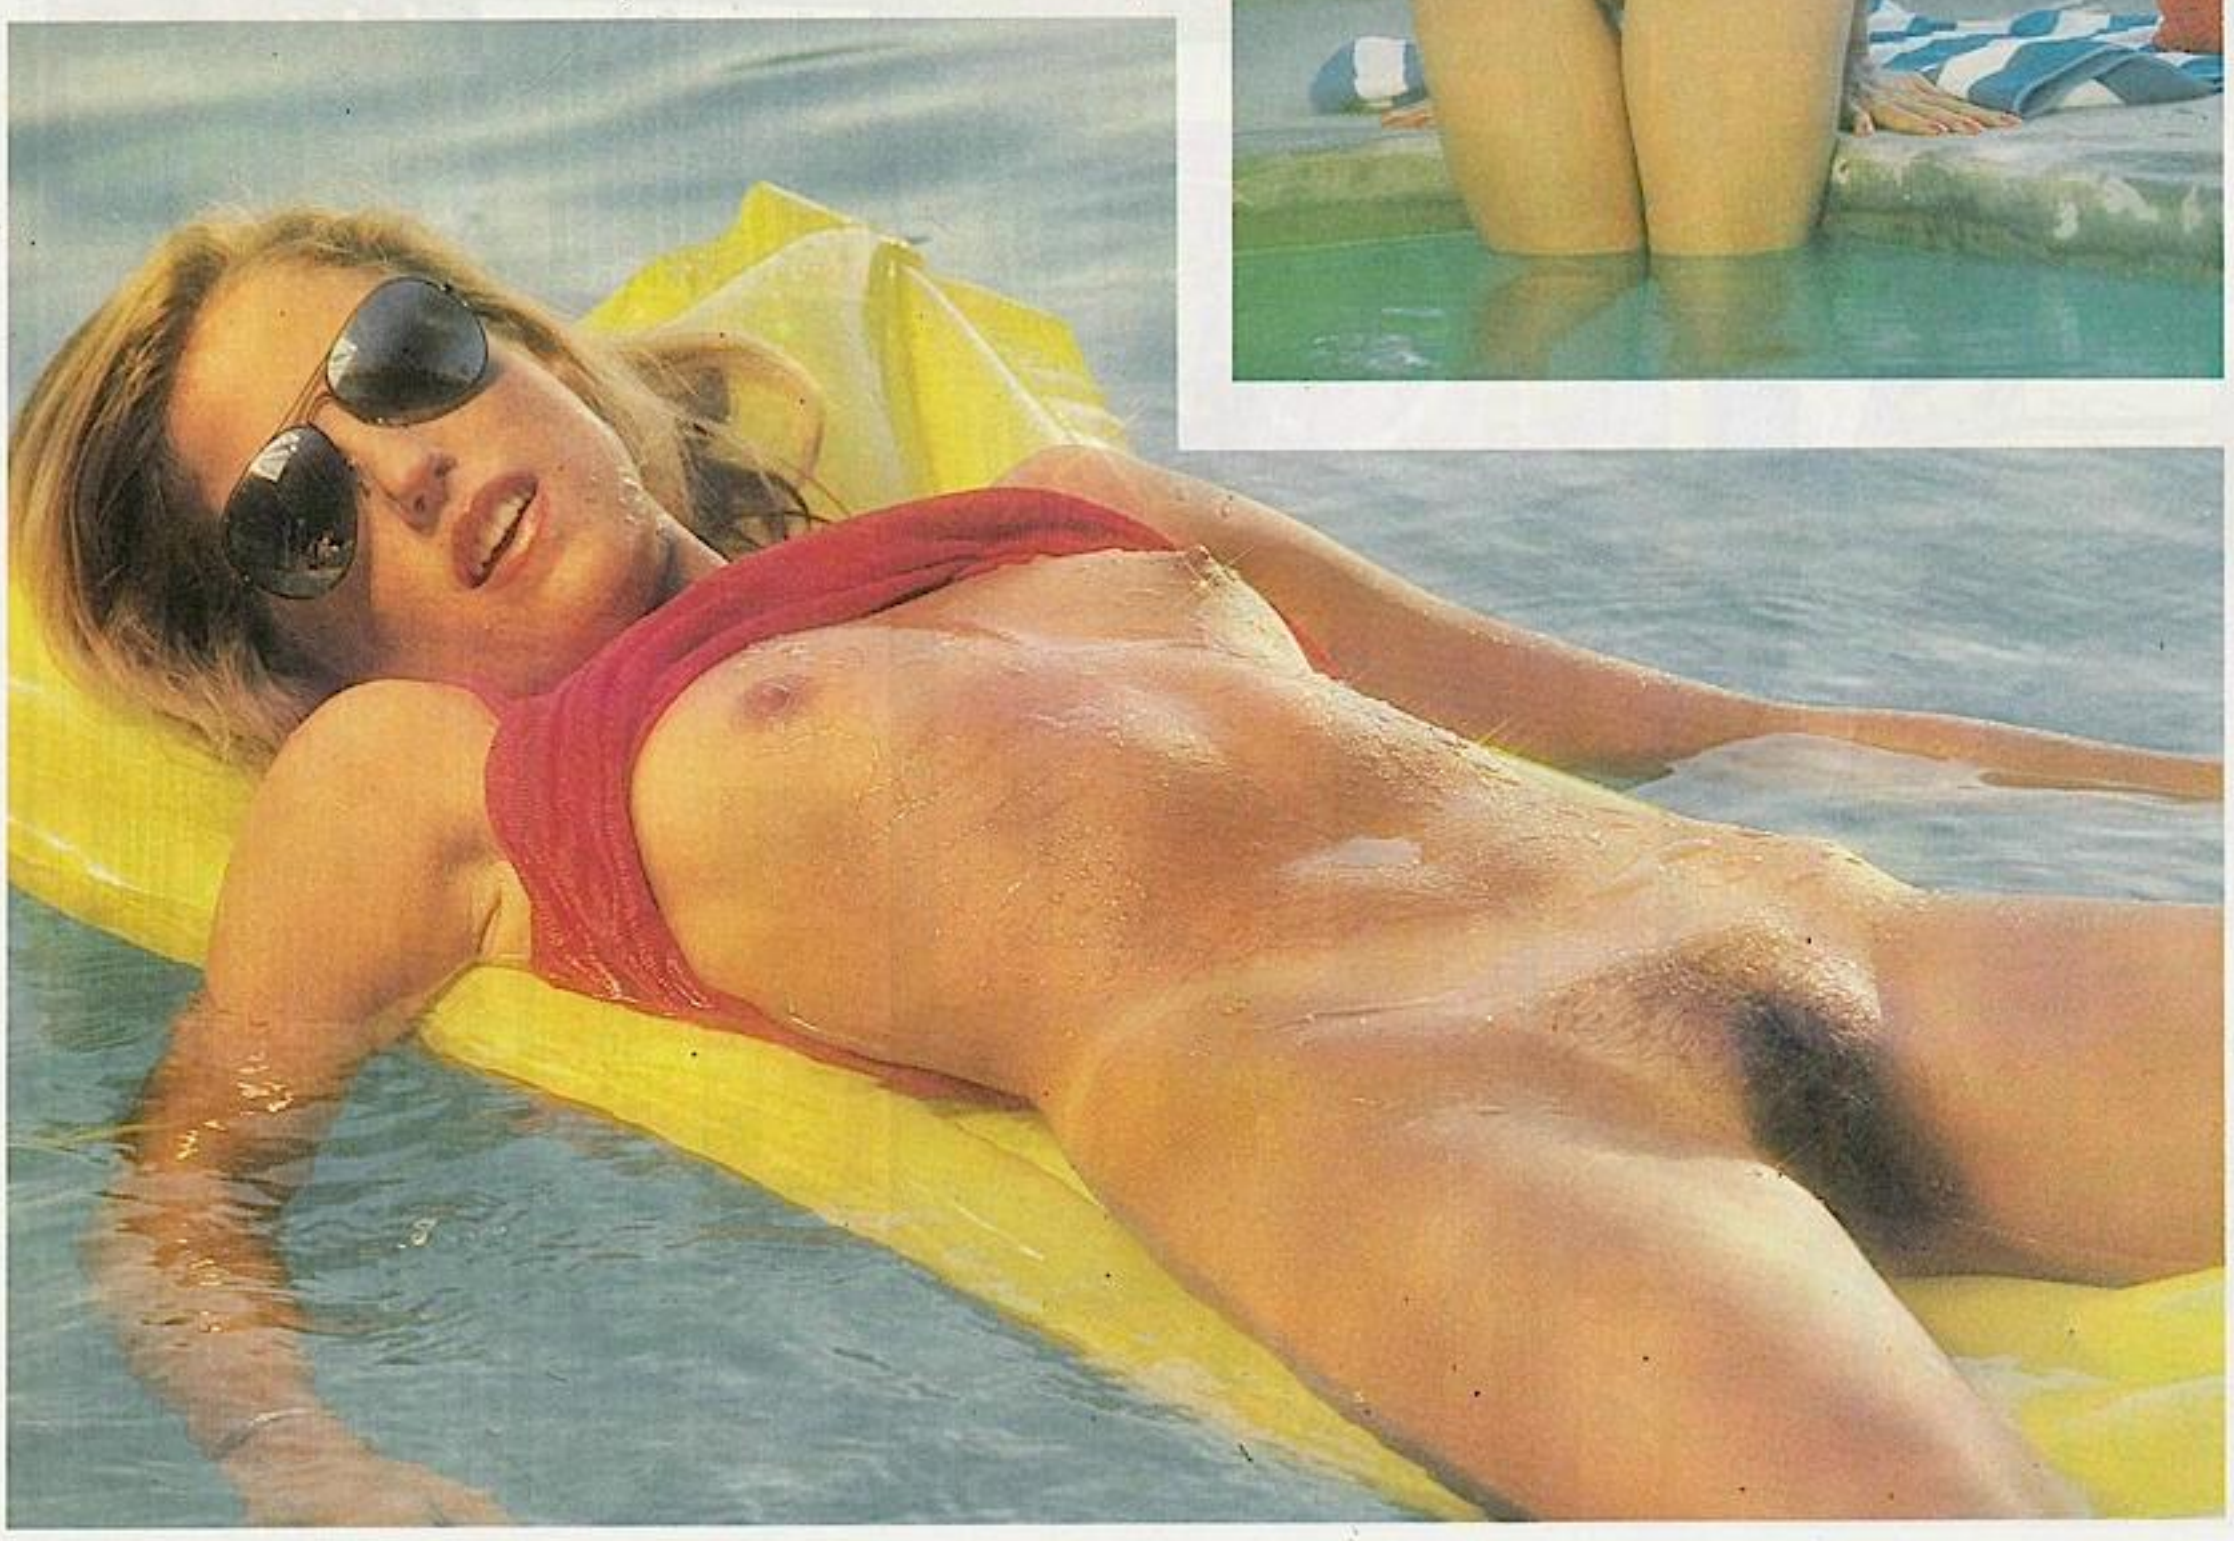


PHOTOGRAPHED BY GARTH RICARD

Apparently Nadia kept her chauffeur-cum-bodyguard with her throughout the day's modelling session. He didn't go as far as getting into the pool with her, but he was never far away. Don't know why, our photographers aren't those sort of chaps! We have to agree that Nadia is worth protecting, though . . .



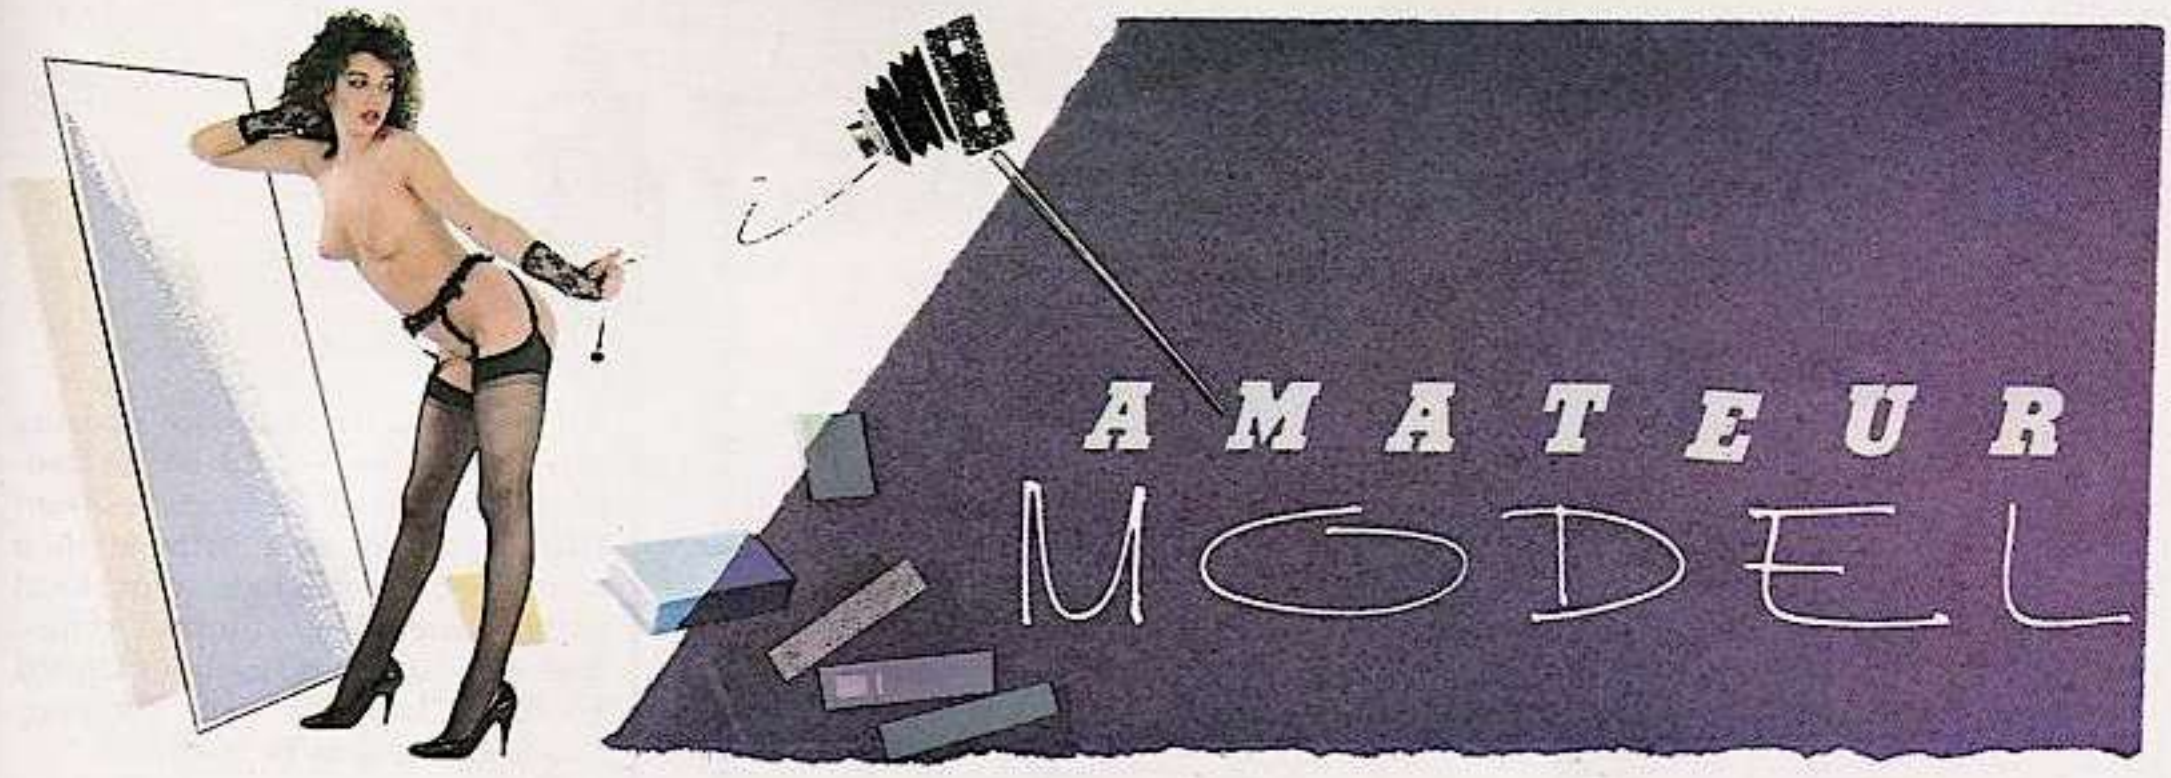




ROSETTA

PHOTOGRAPHED BY K.K. JONES

The Editor was not best pleased one day when the Knave receptionist told him that a young lady he didn't know would like to see him. Normally such information led to a rush to reception to inspect the young lady, but this day was not a good day. You see, the Editor had a set built, a photographer with cameras poised, a make-up artist with lipsticks uncapped — but no model. He had phoned and phoned, but had had no joy in locating his errant leading lady. In harrassed mood, he sought out his visitor. And there she was — his saviour for the day. Young Rosetta here had turned up out of the blue in search of modelling work, nervously clutching her portfolio of polaroids. "Can you do it now?" enquired the Editor. "Do what now?" she asked. When we explained, she did it — and here it is.



This girl did it — so could you. If you think you could make it as one of our Amateur Models, fill in the form below and send it in with a few rude nude pictures of yourself. Polaroids will do, at least two completely nude — front and back view.

Stella Haynes

Tell you what, lads, we reckon we're dead lucky with our Amateur Models. Sometimes the flood of photos to our office dries to a trickle and we wonder where our next 'Star for a day' is coming from. Then an envelope arrives marked 'Knave Amateur Model feature', causing the Editor to throw all his other mail aside and tear it open . . .

Send to: KNAVE AMATEUR MODEL FEATURE, P.O. BOX 312, WITHAM, ESSEX CM8 3SZ.
